Sagewood names director of business development

Sagewood, a Life Plan Community featuring resort-like amenities focused on independence and well-being, has named Jennifer LaForest director of business development at Sagewood's Acacia Health Center.

She brings more than 20 years of experience in the skilled nursing and retirement community industry to Acacia Health Center. LaForest previously served as the campus director of admissions and marketing at Springsdale Village in Mesa, Ariz. and prior was the director of admissions and marketing at Avalon Shadow Mountain in Scottsdale, Ariz.

"LaForest's background in skilled nursing and senior care is impressive," said Natalie Miko, administrator of Acacia Health Center. "She truly understands what goes into working with admissions and helping residents get what they need and will be a great asset at Acacia Health Center."
